# The one with the bite...

## Premium Arena Groomer

The Redback Premium Arena Groomer is a professional arena conditioner. Complete with tines & packer roller, this Groomer achieves your desired arena or track surface with ease. Order now!

### Removable Roller

A fully adjustable and removable roller with optional packer bars. Custom design for noise reduction and a premium finish.

### Easily Adjustable

Choose your desired depth, levelling angles, and just how much "fluffiness" you need

### Versatile

Use behind any vehicle with quick adjustment

### European conditioning tines

High-quality tines mix complex area surfaces to the desired consistency and depth.

### Built to last

Robust proven custom design, quality materials and replaceable parts.

12 Month Warranty

1.5m standard width. Other sizes made to order.
